New Old Stock Sale Item #8

DRB-III Jeep Eagle Adapter Kit

List Price @ \$717.00 / Sale Price @ \$300.00

This DRB-III Jeep/Eagle adapter kit JE-1000 is no longer in production, but we have one left in stock! When this unit is sold there will be no more available. If you service these older cars this device is a must have!

This interface device is used with the DRB-III Chrysler OEM Scan tool and a CH7500 adapter cable (not included) when the technician wants to scan 1987 through 1990 Jeep/Eagle (Pre Chrysler)

The fine print: Manufacturers warranty on all hardware is 1 year.
