

What was the most useful part of the meeting for you?

- A lot of great, useful information and diagnostic tips. – *Robert (MA)*
- Understanding how the CAN BUS systems work. – *Jim (RI)*

What was the least useful part of the meeting for you?

- I wouldn't say there was one, I learned something throughout. – *Matthew (CT)*
- Not being able to digest the wealth of knowledge the instructor was giving out. It's not often that the level of the course content approaches or exceeds my perceived intelligence level. – *Bob (NY)*

What did you think of the instructor?

- Best I've ever had! – *John (MA)*
- Very Professional, yet personable. Well Prepared. – *Matt (CT)*

Any other comments you would like to add?

- A fantastic class - would highly recommend to anyone. – *John (MA)*
