

JPRO® FLEET SERVICE KIT

CONTENTS

All JPRO® Fleet Service Kits include the following:

JPRO® Fleet Service Software Bundle #11201

6 & 9 Pin Y-Cable #12100

15' USB Cable #12105

All JPRO® Fully Rugged and Semi-Rugged Fleet Service Kits also include:

JPRO® Heavy Duty Carrying Case #12115

For JPRO® Fleet Service Kits featuring the DLA+ PLC, we recommend:

PLC J560 Cable with T Connector #32111

All JPRO® Fleet Service Kits come with 12 months of upgrades on all JPRO® software products.

The DLA+ Family of Adapters come with a 1 year manufacturer warranty. An extended 3 year warranty is also available.

The Fully Rugged and Semi-Rugged laptops come with a 36 month warranty on parts and labor.

OEM diagnostic software available upon request. Additional fees apply.
