Press Release

CAS announces 25th Anniversary Give-Away!

Easton, Massachusetts June 30, 2020:

The company (CAS) has announced today that this June they are celebrating their 25th anniversary year in business. To celebrate this milestone CAS has created a 'BIG 25 Anniversary Contest' where 25 CAS customers will receive rebates of 25% on purchases made and one lucky winner will receive a \$25,000 credit towards diagnostic equipment.

CAS President, John Jenkins commented; *"We have been fortunate to be in business and successful for so many years. Looking at the current economic climate and the difficult times some shop owners have been challenged with, we thought it's the perfect time to celebrate our success by giving back to the customers that have helped make CAS successful..."*

Jenkins went on to explain; *"We have set up a system where we will be randomly selecting processed orders, two from each calendar month, starting all the way back in January of this year and going forward through this December. Those selected shops will be receiving a 25% rebate check on their order. No dollar limits, a shop owner can win more than once and every order will qualify for the \$25,000 award at the end of the year. The only limitation will be our resellers will not be eligible to win. CAS is excited to announce this awards program and we wish all our customers the best of luck during the drawings!"*

A promotional flyer is available with further details at www.oemtools.com/news/.
