

## HYUNDAI & KIA UPDATE

Hyundai Zenith and Kia Zenith updates are being released frequently as soon as they are developed without holding off until the next periodic official release that is scheduled in every 4 months. Please find the chart below for newly added coverage of these Korean carlines that have been released since the last official release in January 2023.

Also please note that we have the pending updates for more latest vehicle models and they are scheduled for release in the end of May (Refer to chart at the end of the document)
